# Aims and Objectives

## The Order

The Order of St John is one of the oldest existing orders of chivalry in the World. Our tradition of Christian charity and service dates back to the 11th century. Our mottos are “Pro Fide” and “Pro Utilitate Hominum”, the English translations of which are “For the Faith” and “For the Service of Humanity”.

In the Northern Territory, the affairs of The Order are administered by St John Ambulance Australia (NT) Inc. The governing body within this Incorporated Association is known as the St John Council.

## Function of St John

In the Northern Territory, the services to humanity provided by St John include:

### Training Branch

Provides the instruction of members of the public in the principles and practice of First Aid, Nursing, Hygiene and other allied or ancillary subjects.

### Volunteer First Aid Services

The organisation provides, training and equipping of men, women and young persons to undertake, on a voluntary basis either as individuals or as organised groups, First Aid, Nursing and allied activities, in the streets, public places, hospitals, homes, places of work or elsewhere as occasion may require for the relief, transport, comfort or welfare of those in need. The Volunteer First Aid Services supports the St John Ambulance Service by the provision of volunteer ambulance officers and medical advisory input.

### Contracts Department

Provides Paramedical, Clinical and Workshop services, to the mining, oil and gas industries and major infrastructure projects. The funds generated support the Volunteer First Aid Services arm of the Organisation.

### St John Ambulance Service

Provides, by agreement with the Northern Territory Government, the ambulance service throughout the Northern Territory. The responsibility for the administration and management of the St John Ambulance Service is delegated to the Chief Executive Officer and his Executive staff and utilises career and volunteer personnel on ambulances.

## A Comprehensive Response

St John in the Northern Territory provides a comprehensive response service to the sick and injured. It commences with immediate First Aid training to the public, extends to the provision of First Aid services at public events and culminates in a high quality ambulance service, delivering pre hospital emergency care.

Maintenance of this comprehensive response system is a high priority within St John in the Northern Territory.

# Chairman's Report

## **Chairman, Michael Mooney KStJ**

I am delighted to present this 32nd Annual Report on the activities of St John Ambulance Australia (NT) Inc. Elsewhere in this document are reports from Commissioner, Mr Steve Peers, Chair of Training, Dr Jan Schmitzer and Treasurer, Roland Chin. My report, therefore, concentrates on developments relating to the Order, Council and the Ambulance Service.

Office Bearers for this year, in addition to Alan Bromwich (President) and myself, were Fran Kilgariff (Deputy Chair), Dr Lionel Crompton (Ambulance Service), Dr Jan Schmitzer (Training), Roland Chin (Treasurer) and Steve Peers (Volunteers). To them - and also to Councillors Bernie Kilgariff, Justice Trevor Riley and Stephen Baddeley - I extend my thanks for their support throughout year.

Once again, thanks to the efforts of staff from St John, the Office of His Honour the Administrator and Government House. This year saw the Graduation of thirteen (13) Paramedics, who received their Diploma of Paramedical Science (Ambulance) at the ceremony, with a further four (4) receiving their Advanced Diploma. Admissions, Promotions and Service Bar recipients this year were:

## **Admitted to the Order as Member:**

Ms Annetta Albanese    Mrs Makaylia Ravlich  
Mr Wayne Bevan        Mr Justin Hankinson  
Mr Glen Auricht        Bishop Gregory Thompson

## **Promoted to Knight of Grace:**

Mr Stephen Peers

## **Promoted to Dame of Grace**

Mrs Lesley King

## **Promoted to Officer:**

Mr Craig Garraway        Mr Bruce Jones  
Mrs Lenaire Keatch        Mr Patrick Murray

## **Priory Vote of Thanks**

Combined Lions Clubs        Mr Frank Dunstan  
Mrs Kelly Raven                Ms Rebecca Jones  
Rotary Club of Darwin  
Sunrise

## **Service Bars**

Warren Purse	Christopher Kupke	
Natasha Schuman		

In May of this year, Steve Peers, our Commissioner and Manager of Volunteer First Aid Services reached two outstanding milestones in his career. He achieved 30 years of paid service, and 32 years voluntary service with St John Ambulance. As well as acknowledging years of service, Steve was promoted within the Order of St John to the grade of Knight, for his dedicated service to the Order of St John, congratulations Steve and I look forward to working with you for the next 30 years.

This year, we have actively engaged a Marketing and PR consultant and this has resulted in an enormous amount of positive PR both written and on local radio. It is most pleasing to know that the work of the organisation, both volunteer and paid officers, is getting some of the public recognition it so well deserves.

Each year St John delivers:

- public, community and industry-specific First Aid training;
- attendance by qualified First Aid volunteer personnel at social, sporting, cultural and other well-attended community events;
- Ambulance Officer education and training;
- youth support and training through a Cadet movement;
- an emergency and non-emergency ambulance service;
- a range of paramedical services both on and off-shore;
- corporate support to its operational arms and activities.

During 2008-2009, St John Ambulance Australia (NT) Inc experienced a significant increase in activity;

- Ambulance vehicles travelling kilometres 791,653 (up 1.9%),
- whilst in the process of transporting 30,230 patients (an increase of 7.4%),
- on 37,428 cases (up 7.0%).

It came as no surprise to me to learn that yet again, for the 6th year in a row, Reader's Digest voted Paramedics as the most trusted profession in Australia. I am proud to be Chairman for such a worthy profession and I know that we have some very talented Paramedics here in the NT. This was highlighted again this year at the Paramedic of the Year Awards, hosted by the Hon Kon Vatskalis. Congratulations to the winner for 2009, Sue Gibson from Alice Springs. To Sue and all of the 17 nominees, keep up the good work.

On another note, I was fortunate to travel with members of the Ophthalmic team to visit Timor Leste in Oecussi. The aim of the trip was to aid the restoration of sight to those patients normally not able to access any type of eye treatment. The trip itself was a great success with 64 cataract operations being performed and 350 people fitted with glasses in a 4-5 day period. It was very humbling and very satisfying to watch people who had not seen for some time have their vision restored.

My thanks also go to all of St John's business colleagues, the Health Minister and the Government, Councillors, Members, Staff and Friends of St John for another successful year. A special mention of Ross Coburn on his successful first year as CEO and to Debbie Downs for her continuing help to the Board. We are privileged to have dedicated and knowledgeable staff and members and thank you all for your efforts.

# Training Report

## Chair of Training Ms Jan Schmitzer

I am pleased to present this 32nd Annual Training Branch Report as part of the St John Ambulance (NT) Annual Report.

First Aid and Paramedic Training continues to be delivered at the highest possible standard by our team of committed staff with valuable feedback received from participants about how we may be able to improve our services. We continue to ensure

our Training operations are delivered in full compliance with the Australian Quality Training Framework Essential Standards for Registered Training Organisations.

Our decision in 2008 to 're-badge' the nomenclature of publically available courses to ensure they are truly representative of the titles included in the Health Training Package (HLT07), has been extraordinarily well accepted by our customers. The newly introduced Flexible Learning format for Apply First Aid (previously known as Senior First Aid) and requiring 6-8 hours of self-study plus participation in a one day Workshop, has been well received with many participants (and employers), recognising the value of only needing to be away from the workplace for a single day. Moves are underway to deliver the Apply Advanced First Aid program in a similar format.

All Training Branch positions are currently filled which allows us to be even more responsive in being able to meet customers needs and expectations for their training.

First Aid Training delivery has remained relatively stable during the year in comparison to the previous year and more than any other responsible factor is the global financial situation. The public training area aims to retain current activity levels through the next 12 months although there are indicators that shorter, non-accredited training (such as Epipen for anaphylaxis, Hypokit for Diabetes, and school talks/visits by Training Branch), may continue to increase, as people look to shorter, specific topic training in place of longer, formalised training.

The Paramedic Training College (PTC), is now staffed by three (3) Paramedic Education Officers with the latest member coming on board being Peter Ward. Peter Ward is a Registered Nurse and has been employed primarily as an educator, not necessarily a Paramedic Officer. who will, over time, 'qualify' to Paramedic status.

In the first instance, his role revolves around the delivery of the underpinning knowledge concepts of emergency Paramedic response, with support as required for clinical competence delivery. PTC is currently planning to deliver one block of Clinical 1, Driving, Rescue and Clinical 2 during the year. The need to increase the volume of delivery will be dependant on the requirements identified by the Ambulance Service which in turn will consider this against known or anticipated workforce requirements.

'Remote' area training continues to be highly sought after by communities across the NT. During this past year we have worked in close cooperation with Top End Group Training, the group coordinating the Work Ready program which aims to prepare secondary school students for work. To date, we have been funded to deliver First Aid training (as part of the Work Ready program), to approximately 400 students in Darwin, Palmerston and Katherine, with Alice Springs coming on-line and the potential for future involvement by remote schools such as Borroloola and Tennant Creek. The delivery of First Aid as part of the Work Ready program has received (and continues to receive), exceptionally positive feedback.

Trainers are issuing nationally required (by Registration Authorities), Quality Indicator reporting Survey Forms, both to individual Learners and their employers. To facilitate this reporting (and as is approved by the Quality Indicator reporting guidelines), St John-NT has elected to 'survey' all private group customers rather than every individual participant. There has been a significantly negative response from Training Organisations across Australia to this survey, specifically in respect to the additional time the survey forms take to complete. The aim of the Quality Indicator surveys are to provide the Federal Government with a clearer picture of who is completing VET sector training, and for what specific purpose/s.

Figures presented in the graphs are exclusive of Paramedic Training participation.

All accredited first aid training courses are included in the Health Training Package (HLT07) and are 'marketed' under the Health Training Package nomenclatures allocated to them in HLT07. This ensures our customers receive a Statement of Attainment which is representative of the training they have completed.

Apply First Aid continues to be the training of choice in the Northern Territory as it nationally, both for individuals and for industry groups. Customers completing their first aid training all receive a CPR123 practical learning tool which aims to assist regular reviews of CPR. Over the year there were a total of 8,871 Learners who completed some form of first aid training delivered by St John-NT. This equates to an average of almost 740 learners per month and is an encouraging sign as we map our way forward.

During the current financial challenges facing all businesses and individuals, St John-NT has managed to retain our participation rates at close to those of the previous year and we aim to achieve similar levels again in 2009-'10 with a 3% and 4% increase over the next two (2) financial year cycles.. We have (rightly, I suggest), relied on our promotion of the quality of our training and of our Trainers to ensure Learners are receiving a true value for money learning experience. Some feedback has been received suggesting we should return to the old three day (3) format due to the amount of information now forming part of first aid training, but generally, customers seem supportive of the two day (2) format (or 1 day with Flexible Learning), our primary course Apply First Aid is now delivered in.

### Learners per Month 2008-2009

In closing I would like to acknowledge the wonderful work of our Training Department team (Trainers and Administration), and the support Training Branch receives from my St John Council colleagues, the Ambulance Service and, importantly, the support staff across the NT.

My particular thanks to our CEO, Ross Coburn and I would like also to recognise the invaluable contribution of our part-time Trainers for their work covering weekend training commitments. Thanks also to Daniel Macmillan for his (continuing) work with the St John-NT web site, [www.stjohnnt.org.au](http://www.stjohnnt.org.au). The site has received a number of 'hits' and is proving very popular among those looking for a completing first aid training course.

Thanks must also go to our sponsors including Perkins Shipping, for their greatly appreciated support during the year.

### Total Number of Courses 2008-2009

### Total Number of Learners 2008-2009

# Commissioner's Report

**Commissioner  
Mr Stephen Peers OAM  
KStJ**

I am delighted to present my first report as the Northern Territory Commissioner. Most importantly I would like to express my sincere appreciation to all our members for their outstanding contribution over the past twelve months. We have had an incredibly busy year and have made some considerable progress in a number of areas in particular the increase in the size

of the fleet of volunteer vehicles, the purchase of new equipment and the issue of safety vests for members. Some of this has been possible due to a number of successful grant applications and donations that we have received. We have also made significant advancement with policy, procedures and best practice in volunteer standards.

New or replacement vehicles have been allocated to Nhulunbuy, Humpty Doo, Katherine, Palmerston and Casuarina. As a result of the additional vehicles we have found it necessary to develop new policies and procedure for the equipment, kits and maintenance of the cars and will also be introducing log books. A new shed has been erected in Casuarina which will house equipment for the volunteers based in the Darwin area. A shed extension was also completed in Batchelor.

I would like to thank Cheryl Martin for her work in lodging a number of successful grant applications. As a result of her work we have been very fortunate to have received a number of grants this year which has allowed us to provide additional uniforms, equipment and vehicles for our members. These include:

- St John Ambulance National Research Grant \$15,000 – Indigenous First Aid Training
- Darwin City Council \$2238.50 – Vests for Darwin Adult Division
- Alice Springs Council \$1100 – Vests for Alice Springs Adult Division
- Palmerston City Council \$750 – Vests for Palmerston Adult Division
- Casuarina Club Grant \$4,000 – first aid equipment
- NT Government Community Benefit Grant – station wagon to be used in the Darwin area for public duties
- Alice Springs Lions Club / Camel Cup Committee - \$2000 NT Cadet Camp
- Palmerston Regional Business Association \$1000 –

Palmerston Adult and Cadet Divisions

- Litchfield Palmerston Rotary Club – donated two tents for the Humpty Doo and Palmerston Divisions
- Tour de Arnhemland Bike Ride - \$30,000 (pulse oximeter, defibrillator & vehicle)

The year has been a busy and successful one for the Northern Territory Cadet program. In particular training, service, team building and leadership have played a major role in ensuring the strength of the Cadet program into 2009 10 and beyond.

Cadets have continued to maintain their commitment to public service. A number of recognition badges were achieved throughout the year, most notably Shaun Washington 500 hour, Geraldine Turner 800 hour and Sarah McLaughlin 1000 hour badge.

The Northern Territory Cadet Camp and first aid competition was held in Batchelor in October 2008 and attended by Cadets from Alice Springs, Katherine, Marrara, Palmerston and Band divisions. Two divisional camps were also held. The National Cadet Camp was well attended and the NT first aid team placed 2nd in the national competition with the Individual placing 3rd.

The Adult First Aid Competitors displayed their skills to members of the general public when the 2009 competitions were held at Bunnings Palmerston. The venue was a great choice and allowed members of the general public to see the volunteers in action. Congratulations to the winning team members Christine Turner, Marion McLauchlan, Shaun Washington and to the winning individual competitor Kate Anning from the Alice Springs Adult Division.

We have spent a considerable amount of time this year working on the National Volunteer Standards and Best Practice in Volunteer Recruitment. This has included an induction process for new members, mentoring, improved recruitment practises, gathering feedback, developing policy on monitoring volunteer work performance and the implementation of member's surveys and exit interviews. I would like to thank Peter LeCornu for his help and guidance throughout this process.

In February Territory Officer and Superintendents attended a weekend planning session to develop a list of goals for Operations Branch members for 2009. The key objectives were – Improving our profile in the NT Community and Increasing our Membership. The topics covered were Training, Recruitment, Retention, One St John Culture, Promotion of Volunteers, Marketing and Promotion. The data collected at this meeting formed the

basis of the Operations Branch Business Plan.

Recruitment and retention of members continues to be our priority, developing new marketing material and upgrading the information on our website has attracted more membership enquiries and has allowed our adult membership numbers to remain steady. Thank you to Daniel Macmillan and Cheryl Martin for their work.

Territory Officers have made major progress in a number of areas including the completion of the review and upgrade of the Operations Branch Policies and Procedures and the development of the Clinical Practice Guidelines. A special thank you to Paul Berry, Virginia Dowson and Brian Ch'ng for their contributions. Kelly Raven and Kimberlee McKay have visited a number of divisions providing important Child Protection Training to adult members.

Training continues to be a vital element in the development of our members and we now have Operations Branch assessors in each adult division able to evaluate member training. We have increased the number of First Responders and have commenced Advanced Responder training. My thanks to Geoff Lohmeyer, Kelly Raven and Christine Turner for their efforts and their willingness to provide first aid training courses to members throughout the Territory.

Schools Co-ordinator, Kelly Raven has continued her work in schools in the Darwin area. Kelly now provides first aid training in Marrara Christian College, The Essington School, Henbury School and O'Loughlin College. There is an every increasing demand for St John to provide first aid talks and displays to school students at pre-school, primary schools, high school, school holiday programs and childcare centres. Kelly has also provided first aid talks to a number of Scout and Girl Guide groups.

We are now receiving enquiries about the establishment of divisions and first aid training from remote areas such as Groote Eylandt and Dundee Beach. Establishing volunteer divisions in these areas poses some challenges including training appropriate leaders, providing first aid instructors and ongoing support.

A highlight of the year was the Volunteer Annual Parade which was held on Sunday 16th November, 2008 at the Kaylmanian Hall. The ceremony is our opportunity to recognise and reward the outstanding contribution of our volunteers.

St John has continued to develop a partnership with Carers NT. In the near future we hope that we will be able to expand our service to the Northern Territory to areas other than first aid. This may include helping the socially

isolated, caring for carers, youth companionship and assistance and transport for former St John members.

The Northern Territory responded to a request from St John Victoria for assistance during the February bushfires. Six members Stuart Anderson and Brian Ch'ng (Darwin), Justin Hankinson and Darrin Whatley (Tennant Creek), Rob Rudland (Alice Springs) travelled to Melbourne and worked in the Communication and Control Centre providing important relief for the Victorian members. Two

other members, Yvonne Cole and Felix Ho, who were on holidays at the time also assisted with the bushfire effort.

My congratulations to the following members who received awards.

### Service Medals and Awards

12 year medal	Virginia Dowson Martin Scaife, Justin Hankinson
17 year service bar	Craig Garraway Steven Bone
22 year service bar	Noel Talbot
Grand Prior Awards	Shaun Washington Geraldine Turner Rachel Fox
1000 Hour Badge	Sarah McLaughlin

### Commissioners Commendation

Geoff Lohmeyer  
Sherry Crowley,  
Narelle, Sarah and Luke McLaughlin

### Commissioners Awards

Adult Division of the Year	Alice Springs
Cadet Division of the Year	Palmerston
Adult Volunteer	Geoff Kain (Alice Springs)
Cadet Volunteer	Sarah McLaughlin (Band)

Alice Springs was very proud to host an Investiture where Bern Kilgariff was promoted to Knight of the Order of St John. At the ceremony Fran Kilgariff was admitted as a Member of the Order and Kate Anning was presented with a Priory Vote of Thanks. Once again it was pleasing to see our members being recognised by their communities in the 2009 Australia Day Awards. Greg and Lee Payne received the award at a ceremony in Litchfield and Cadet Leader, Matthew Sperling was presented with the Palmerston City Council, Australia Day Young Citizen of the Year Award.

In September we received the very sad news that Pat McQuillen had passed away after a battle with cancer. Pat joined St John in Darwin in 1976 after completing a first aid course and moved to Alice Springs a short time later. She was a very active member until she retired and moved to Avoca in Victoria in 2005. Pat's book about the history of St John in Central Australia "Saved Any Lives Today?" will ensure she will always be remembered by her many friends in St John.

Operations Branch will be losing one of its well known and popular members in October. Last year, former Territory Officer Cadets, Noel Talbot and his wife Liz travelled to each centre to say goodbye to the members and staff of the cadet divisions. Noel had been the TOC for eight years and formed many friendships across the Northern Territory. They are leaving the Territory to retire in South Australia. Noel and Liz have been terrific members and wonderful friends and will be missed.

I would like to thank Michael McKay, Territory Staff Officers, Superintendents and members for their continued commitment and support to Operations Branch over the past twelve months. My sincere thanks to the Volunteer Office staff for all their work over the past twelve months.

# Honourary Treasurer's Report

## Discussion and Analysis of Financial Statements

Information on St John Ambulance Australia (NT) Inc Concise Financial Report.

The concise financial report is an extract from the financial report for the year ended 30 June 2009. The financial statements and disclosures in the concise financial report have been derived from the 2009 Financial Report of St John Ambulance Australia (NT) Inc. A copy of the full financial report and auditor's report will be sent to any member, free of charge, upon request.

The discussion and analysis is provided to assist members in understanding the concise financial report. The discussion and analysis is based on St John Ambulance Australia (NT) Inc., financial statements and the information contained in the concise report has been derived from the full 2009 Financial Report of St John Ambulance Australia (NT) Inc.

## Income Statement

1. There has been an increase of \$2.9M in revenue due to additional funds for an expanded service in the Palmerston region. Additional revenue was also gained from the contract with the NT Government for the Palmerston Medical Precinct. This will be continuing in the 09/10 financial year. Additional contracts are being sought in the area of contract paramedical services which will also increase revenue in the future.
2. The expanded services and contracts impacted on the cost of contract-paramedical services and salary on-costs in supporting the extended services.

## Balance Sheet

1. Plant and equipment have increased due to the yearly upgrade of, and additional motor vehicles to the fleet.
2. There has been an increase in liabilities with funds paid in advance, GST payable and Provision for employee benefits, being the main areas of the increase.

## Cash Flow Statement

1. The increase in the movement of receipts is due to the additional funding from the NT Government for the expanded services and Palmerston Medical Precinct contract. Some of this revenue was offset with additional costs of operating these services.

**BALANCE SHEET**

## Notes to the Financial Statements 30 June 2009

### Note 1:

#### Basis of Preparation of the Concise Financial Report

The concise financial report is an extract for the full financial report for the year ended 30 June 2009. The concise financial report has been prepared in accordance with Accounting Standard AASB 139: Concise Financial Reports.

The financial statements, specific disclosures and other information included in the concise financial report are derived from, and are consistent with, the full financial report of St John Ambulance Australia (NT) Inc. The concise financial report cannot be expected to provide as detailed an understanding of the financial performance, financial position and financing and investing activities of St John Ambulance Australia (NT) Inc as the full financial report. A copy of the full financial report and auditor's report will be sent to any member, free of charge, upon request.

The presentation currency used in this concise financial report is Australian dollars.

## Statement by the Management Committee 30 June 2009

In our opinion –

- the accompanying concise financial report as set out on the previous are drawn up so as to present fairly the state of affairs of the association as at 30 June 2009 and the results and cash flows of the Association for the year ended on that date;
- the concise financial statements are an abridged form of the Association's general purpose financial statements that have been made out in accordance with the Australian Accounting Standards and other professional reporting requirements.
- there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

During the financial year, no member of St John Ambulance Australia (NT) Inc., or any firm of which an officer is a member, or any corporate entity which an officer has a substantial interest, has received or become entitled to receive a benefit as a result of a contract between an officer and St John Ambulance Australia (NT) Inc.

Since the end of the previous financial year, except as detailed above and other than an approved salary package which has been determined in accordance with general market conditions, no committee person of the Association has received directly or indirectly, any payment or other benefit of a pecuniary value.

Signed for and on behalf of the Council of St John Ambulance Australia (NT) Inc at 50 Dripstone Road Casuarina NT

## **Independent auditor's report to the members of St John Ambulance Australia (NT) Inc.**

### **Report on the Concise Financial Report**

The accompanying concise financial report of St John Ambulance Australia (NT) Inc. comprises the balance sheet as at 30 June 2009, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date and related notes, derived from the audited financial report of St John Ambulance Australia (NT) Inc. for the year ended 30 June 2009. The concise financial report also includes discussion and analysis and the statement by the management committee. The concise financial report does not contain all the disclosures required by the Australian Accounting Standards.

### **The Management Committee's Responsibility for the Concise Financial Report**

The Association's Management Committee are responsible for the preparation and fair presentation of the concise financial report in accordance with Accounting Standard AASB 1039 *Concise Financial Reports*. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the concise financial report; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the concise financial report based on our audit procedures. We have conducted an independent audit, in accordance with Australian Auditing Standards, of the financial report of St John Ambulance Australia (NT) Inc. for the year ended 30 June 2009. Our audit report on the financial report for the year was signed on 28 October 2009 and was not subject to any modification. The Australian Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report for the year is free from material misstatement.

Our procedures in respect of the concise financial report included testing that the information in the concise financial report is derived from, and is consistent with, the financial report for the year, and examination on a test basis, of evidence supporting the amounts, discussion and analysis and other disclosures which were not directly derived from the financial report for the year. These procedures have been undertaken to form an opinion whether, in all material respects, the concise financial report complies with Accounting Standard AASB 1039 *Concise Financial Reports* and whether the discussion and analysis complies with the requirements laid down in AASB 1039 *Concise Financial Reports*.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Independence**

In conducting our audit we have complied with the independence requirements of the Australian professional accounting bodies.

Merit Partners Pty Ltd
